**National Association of Peer Program Professionals
 Certified Peer Program Educator (CPPE) Renewal Form**

Mission: The National Association of Peer Program Professionals (NAPPP) helps adults establish, supervise, maintain, and evaluate peer programs so that trained peers may help each other with maximum effectiveness.

PURPOSE: Recognizing the expanding role of peer program educators in schools and communities and the increasing importance of professional development, NAPPP has established a voluntary national certification program. This program identifies a certifiable level of experience and expertise in the administration and/or operation of peer programs. Individuals who attain these levels and complete certification may then use the designation, Certified Peer Program Educator (CPPE).

OBJECTIVES: Within the field of peer programs this certification program intends:

- To promote professional standards, practices and ethics;
- To encourage self-assessment by offering guidelines for achievement;
- To improve performance by encouraging participation in a continuing program of professional growth and development;
- To acknowledge a level of educational training essential for effective peer program administration and/or operations;
- To foster professional contributions to the field;
- To maximize the benefits received by the peer program community from the leadership provided by certified peer educators.

To renew CPPE status, you must be a member in good standing of NAPPP and show continued growth and development in Peer Programming by completing the information below and submitting it along with the renewal fee of \$20.00. If you are not a current member of NAPPP, you may include an application for membership renewal along with the appropriate membership renewal fee of \$50, concurrently with your CPPE renewal.
