NAPPP Certified Trainer Consultant

Vision: Establishing a culture of people helping people

Mission: The National Association of Peer Program Professionals helps adults establish, train, supervise, maintain and evaluate peer programs.

Purpose: Recognizing the expanding role of the peer programs in schools and communities and the increasing importance of professional development, NAPPP has established a voluntary national Certified Trainer/Consultant designation. The designation identifies a certifiable level of adherence to the NAPPP Programmatic Standards and Ethics as well as experience in training adults and youth around peer programs. Individuals that complete the application below, complete the process of certification, agree to an NAPPP MOU will be designated as an NAPPP Trainer/Consultant. The individual will be featured on the NAPPP website and in the newsletter. He/she will also receive an opportunity to represent NAPPP in training and consulting activities.

Objectives:

1. To promote professional standards, practices and ethics.
2. To acknowledge a level of educational training essential for effective peer program administration/training/evaluation.
3. To foster professional contributions to the field.
4. To maximize the benefits received by the peer program community from the visibility and credibility provided by the Certified Trainer/Consultant

Eligibility:

1. Current member of NAPPP
2. Earned designation of CPPE
3. Has conducted training to adults and youth in the peer program field
4. Three references
5. Must send samples of Training agenda for full day or more and training sample
